Your turn to play!

Pause this video and
play the app for 10
minutes!

Can you make
your angry face?

Can you make
your happy face?

Can you make
your mouth angry
and your
eyes happy?

Can you make
your mouth happy
and your eyes angry?

All the muscles in your face are connected, making one entire facial expression!

Grab an adult!

1. Discuss:
What does your angry face look like? What makes it look so angry? Have both the adult and kid show!
2. Go to our FlipGrid:
Show the class the difference between your happy and your angry face!
